New Book ***Reshaping America*** ~ an insightful new book with a prescription that is just what "The Great Physician" ordered. A must read for Christians, pastors, or anyone who loves America.

***Reshaping America*** chronicles how we have abandoned the biblical principles our great nation was founded on and provides solutions to restore our country to greatness! ***Reshaping America*** is a call to action for anyone concerned with the direction their beloved country has taken.

*"In Reshaping America, Curt Flewelling challenges you to look at the society, politics, and culture of 21st century America from a biblical perspective. With a prescription that is just what "The Great Physician" ordered, Flewelling reveals the causes of our nation's abandonment of biblical principles and how we can all get back to the fundamental truths of the founding Fathers.*

*Together, a groundswell of believers ready to roll up their sleeves and get to work can restore this nation to greatness. Resphaping America is a call to action for anyone concerned about the direction their beloved country has taken, and a helpful guidebook on how to bring about change for God. Curt Flewelling's mission is to ignite a spark in every American to follow God's call to greatness. Now is the time. Join him in Reshaping America!"*
